## Dominant vs. Resistant Readings

Text: Little Red Riding Hood	
Dominant Reading	Little girls should obey their mothers and should never speak to strangers. Little Red Riding Hood put herself in danger and caused her grandmother's death because she didn't stay on the path and she stopped to talk to the wolf. Luckily, she was rescued by a male hero and learned her lesson.
Resistant Reading	Little Red Riding Hood is not to blame. She was just being a curious child. Wolves are dangerous and have no business in the woods. They make it unsafe for girls and women to be out on their own and even in their homes.
