UNEQUAL EMPLOYMENT

Puzzle of Employment

Write down the average unemployment rates you calculated in the appropriate boxes. Then calculate the averages and differences in the remaining boxes. Next, look at all the data and identify two facts or trends it reveals. Finally, discuss all findings as a whole class, and write a summary statement.

	2009	2015	Difference
Latino/Hispanic	1.	2.	
African American	1.	2.	
Whites/Non-Hispanic	1.	2.	
Averages			

Facts or trends revealed _____

Summary Statement _____
