Culture Worksheet

First, respond to each question by writing one sentence or phrase about its topic. Then rate each item, in the box provided, from 1-8 (1 is most important) according to what value you believe this topic has in your culture.

What language(s) do you speak?

What is your family's religious or non-religious belief system and practice?

What music do you listen to?

What dances do you know?

What foods do you eat most often at home?

What do you wear on special occasions?

What holidays, celebrations and ceremonies do you participate in with your family?

Who are the members in your family?
