

# TEACHING TOLERANCE

A PROJECT OF THE SOUTHERN POVERTY LAW CENTER  
tolerance.org

Dear Young Person,

If you want to work in science, technology, mathematics or engineering, go for it!

The characteristics that will help you succeed in STEM are \_\_\_\_\_

---

---

One thing you can do right now is \_\_\_\_\_

---

---

Don't be discouraged if you don't see a lot of people who look like you in this career.

Other people, like \_\_\_\_\_ ,

have done it before you.

We need a more diverse group of people working in STEM because \_\_\_\_\_
