

James Baldwin: Art, Sexuality and Civil Rights

## Seeing Is Defining: Building Your Vocabulary

Directions:

1. View each slide of the Seeing is Defining power point with your group members. As a class, read the official definition.
2. Discuss the word's meaning in your group.
3. Using the image provided and the official definition as a foundation, rewrite the definition in your own words. Record your group's definition in the allotted space.
4. Share your group's definition with the class.
