

## EXPANDING VOTING RIGHTS

# Nation's Race and Ethnicity in 2011

PEW RESEARCH CENTER tabulations from the March 2011 Current Population Survey for the civilian, non-institutional population. Figures may not add to 100% because of rounding. Hispanics are of any race; other groups include only those who are not Hispanic.

1. Discuss with your group what the data show. Write a sentence or two that summarizes the trend that the graphs show.

---

---

---

2. Discuss and then write an answer to this question: How do you think the change that the graphs show might affect the outcomes of American elections?

---
