Groups Who Are Sometimes Treated Unfairly

What are some groups you have learned about who are treated unfairly because of who they are or what they think? Fill these in on the chart. For example, if you said that sometimes Muslims are treated unfairly, you can put a check in the column labeled "Religion," because Muslims are a group defined by their religion.

GROUP	RELIGION	ABILITY	RACE/ ETHNICITY	LANGUAGE	GENDER	APPEARANCE	SEXUAL ORIENTATION
